Project Number: H27-6069-AC-2

For viewing purposes only!

Due to the large size of the files for the Darla Moore School of Business Construction – Bid Package 2: Structure project, please download drawings and specifications from the below FTP website.

There will be 14 volumes of drawings, 7 volumes of specifications and 3 addenda's; each volume will consist of individual PDF's files for each drawing or specifications. This way, we will not have one extremely large file and it will be easier to sort through the drawings for bidding purposes.
